

Certificate in Sustainable Rural Development (Level 2)

Karikari Peninsula

Location: Karikari Peninsula

Start date: 25 July 2016

Duration: 19 weeks

Contact day: Monday, Wednesday and Thursday

FEES-FREE

Do you want to live a more self-sufficient lifestyle?

Want the skills to match your enthusiasm?

This entry-level qualification is ideal if you want to develop your skills and knowledge. You'll learn a wide range of skills that will help you to establish a garden using sustainable and organic principles and give you a stepping stone to further study in sustainable rural development and horticulture.

Papers offered:

- Practicum
- Introduction to Horticulture Practice
- Seed to Table
- Basic raised bed gardening

Tutor: Sana Ryan

Ph: 021 216 7720 or email: wrwt@xtra.co.nz

Enrolments: 0800 162 100

Enrol now!

Please note fees free courses may incur course related costs such as stationery and suitable work wear. Students enrolling on a full time course are eligible to apply for a student allowance through StudyLink.

Courses and programmes may be cancelled, postponed or have their content or configuration changed from time to time (including during the academic year) at the discretion of NorthTec. Fees indicated are for domestic students. Programmes will run subject to minimum enrolment numbers. See our website for Terms and Conditions.
